## About CIMS

**Capital Institute of Management and Science (CIMS)** is a non-profit public higher-education institution located in Bhubaneswar, the capital city of Odisha, managed by Annapurna Charitable Trust. CIMS is a progressive institution set up to promote the highest standards of technical education in the state. The institute aims at educating the students by providing technical education, research, training and consulting facilities to become not only competent professionals but also excellent human beings who would contribute towards the betterment of the society.

**CIMS** was established in the year 2000, as a premier B school under Annapurna Charitable Trust and inspired by the noble ideals and principles of the founder late Durga Madhab Dash one of the -renowned humanitarian of Odisha with a vision to develop highly qualified and trained dynamic professionals to become value enriched managers who could create corporate environment of excellence with the strategic intent of dealing with the fast changing competitive global environment and mission to offer effective learning and knowledge sharing opportunities to students, by delivering research oriented professional courses followed by industry conferences, seminars, workshops etc.

The courses offered by **CIMS** are approved by All India Council of Technical Education (**AICTE**) and affiliated to BPUT, Odisha. The Institute offers courses like **MBA, IMBA, BHM, BTM, MCA** etc.. Unique in its structure, methods and goals, the Institute is strongly rooted from Indian cultural heritage in a philosophy of training and research that emphasizes the distant relationships between knowledge and its application & seeks to uphold the conception of an ideal society.

## About the Seminar

Industrial development of any country plays an important role in determining the growth and development aspect of the country. The evaluation of the performance of various corporate sectors

like mining, manufacturing, electricity, capital goods, corporate sector performance, micro, small and medium enterprises sector, central public sector enterprises, steel and textiles is essential at this time to know the growth rate of the state as per the objectives and guidelines framed by the central government for sustainability. This seminar is designed to discuss the level of contribution of corporate sectors in economic development, the overall trends of economy of the country and the role of the government to take initiatives for the development of such corporate sectors.
